

# Accessing Home Links from Everyday Math Online

Here are the steps for logging in to Everyday Math and printing Home Links in case your child forgets his/hers at school. (Your child has his/her username and password taped to the inside front cover of their assignment notebook.)

1. Go to [www.everydaymathonline.com](http://www.everydaymathonline.com)
2. Type in your child's username, and then click "Log In." (A separate box will then pop up for the password.)
3. Type in your child's 3-digit password, and click "Log In" again.
4. First choose the unit and lesson of the Home Link your child needs. For example, if your child needs to complete Home Link 6-4, you would choose Unit 6, Lesson 4.

- 5. Click on the “Home Link” button, found under the heading “Home Connections.”**

- 6. You will need to download the file to your computer.**
- 7. You can then open and print the Home Link for your child.**
